Welcome Nurse Stephanie!

In January, we welcomed our new school nurse. Stephanie Bogler has worked in many different nursing settings, and is happy to be here with our students. She wrote, "I grew up in a small town in Pennsylvania and lived in the same home until I got married to my husband but still continued to live in PA. Most recently we have both worked as travel nurses traveling across the country living full time in an RV. We've lived in AZ, TX, CA, ME, and now NH! I'm excited to maybe settle up in the New England area for a while."

Winter Carnival Days Are Here!

Our Winter Carnival Days started mid-January, and have been a fun way to support being healthy and active in the winter, as well as having fun! With Mr. St. Pierre's leadership, students rotate through several activities on Thursdays, from hockey to snow bowling to obstacle courses to gaga ball. Sixth graders help set up activity stations first thing in the morning, and then classes alternate activities throughout the day. Thank you, families, for sending your students with warm outdoor clothes, extra clean masks, extra layers should students need to change, and water bottles! We look forward to the Winter Carnival Days to come!
