Extra Clothes & Layers

Thank you for sending your students with extra clothes in their backpacks and warm clothes for outside, too. While we can't often have lunch outside at this time of year, we're still spending mask breaks and recess outdoors as much as possible.

If you need help getting outdoor gear for your child(ren), please let Mrs. Swain or Ms. Amanda know.

Winter Activities Update

Here's the bad news: due to the increasing numbers of COVID cases in our area, we will not have Winter Activities at Cannon and Evergreen this year.

Here's the good news: this situation allows us the opportunity to enjoy a bunch of activities inside and out here at school, and they will be FREE! We plan to save Thursdays that would have been Winter Activities for our own BVS Winter Carnival Days each week. We will be outside as much as weather permits, and will have stations that, among others, may include the following activities:

- | | |
|-----------------|-------------------|
| -broom-ball | -snow soccer |
| -snowshoeing | -sledding |
| -snow sculpting | -relay races |
| -tug of war | -snowman building |

We will offer indoor activities on these days, as well.

Students should come to school with snowpants, jackets, hats, mittens, and a couple extra masks. Extra socks and mittens are strongly encouraged! (This applies to *all* winter days, not just Winter Carnival Days.)

COVID stinks, but we can adapt, and Winter Carnival Days will be a lot of fun!

If you would like to help out, we are now accepting donations of old brooms!

If you have a favorite winter activity that might work for our Eagles that we didn't list, please let Ms. Amanda or Mrs. Swain know!

Do your best snow dances to make sure we get the perfect, sticky snow for activities!

Hot cocoa by Jaxon

Stay 6ft apart,
please!

Guess Who?

Can you identify the faculty or staff member described below? (Answers on last page)

A wrote: "I lived in Massachusetts the first 40 years of my life. I worked for an orthodontist and periodontist from age 16 to age 30. I also cleaned businesses on the side. I wanted to become a dental hygienist and got accepted at Forsythe Dental School. I got married at 19 and have been married for 40 years. I love my faith, the summer, dogs, sunrises and sunsets, disco music and pasta."

Penguin by Finley

B wrote: "I was born in Florida. I have lived most of my life in NH except for when I went away to college. I enjoy listening to music from the 50's - 80's. Mostly soft and classic rock. I currently have one dog, but I used to have 37 goats, 12 geese, more ducks and bunnies than I could keep track of, two sheep, one turtle, two dogs and 2 cats. I miss the goats and can still name and describe the personalities of all 37. My favorite children's book is *Alexander and*

the Terrible, Horrible, No Good, Very Bad Day. Fall is my favorite season. I love to read, hike, bike (pedal and motorcycle), walk on the beach and in the woods. I hate coffee, bacon, eggs, and mayonnaise, and strongly dislike green peppers and cooked green beans. Otherwise I love food!"

Present by Philip

C has hiked NH and VT 4000 footers, as well as one peak of Katahdin. This person loves to read, knit, crochet, and cross stitch. C loves Spring, Summer, and Fall. C writes, "I have lived in Littleton, Landaff, Barre, VT, North Haverhill, Woodsville, Hampton Falls, North Hampton, and Greenland. I have five pets ranging from ounces to 75 lbs. One pet only has 3 legs. I watched the sunrise at Lake of the Clouds Hut, and I went to the Woodstock 30th reunion".

Thank you Kindergarten for the wonderful holiday and winter art!

Thank you to all families who have been so careful about keeping children with symptoms home, and so open in communication with us here at school. Your efforts are truly appreciated.

Answers to “Guess Who?”

A is Ms. Mary!

B is Mrs. Swain!

C is Mrs. Nelson!
