December 7, 2018

Greetings Parents & Guardians:

Each year, students in grades 3 through 8 participate in the New Hampshire Statewide Assessment System (NH SAS) Students who have the most significant cognitive disabilities are eligible to take the Dynamic Learning Maps (DLM) Assessment, as designed in their active individualized education program (IEP). Please click on the link below for the 2019 assessment window.

[https://www.education.nh.gov/instruction/assessment/documents/2018\\_19\\_nh\\_assessment\\_calendar.pdf](https://www.education.nh.gov/instruction/assessment/documents/2018_19_nh_assessment_calendar.pdf)

This year children will take the following assessments, depending on their grade level:

- [NH SAS or PACE for English language arts/writing and mathematics in grades 3 through 8](#)
- [DLM for English language arts/writing and mathematics in grades 3 through 8](#)
- [NH SAS or PACE for science in grades 5 and 8](#)

Title I, Part A of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESSA), Section 1111(b)(2) and New Hampshire law, RSA 193-C:6 requires each school district in the State to implement a set of high-quality academic assessments that includes, at a minimum, assessments in mathematics, reading/language arts and science to be administered in each of grades 3-8 and in science not less than once during grades 3-5 and grades 6-9. Furthermore, ESSA sections 1111(b)(2)(B) require State assessments to be the “same academic assessments used to measure the achievement of all public elementary school and secondary school students in the State,” and provide for the participation in such assessments to all students.

State assessments are an important part of a student’s core educational program. They provide an evaluation of student mastery of content and skills in various academic areas, serve as one tool for measuring the degree to which students are on track to graduate high school and be college- and career-ready, and help inform future instruction in the classroom. Along with student work on classroom assignments, projects, essays, and local assessments, state assessment results give teachers and you, the parents, important information about where students are on their path toward academic success. If you choose to exempt your student from the state assessment (permitted in RSA 193-C:6), you must submit a form to the school the student attends. Please contact Piermont Village School to receive a copy of the exemption form. Please understand that if you choose to exempt your student

from the assessment, no scores or summary of individual student performance, based on the statewide assessment, will be provided to you or your student.

The testing times for the NH SAS and PACE are as follows:

<b>Grades 3-8</b>	<b>NH SAS for ELA/Writing/ Mathematics (hours)</b>	<b>DLM for ELA/Writing Mathematics (minutes)</b>
English Language Arts/Reading	2:00	30 - 45 minutes
English Language Arts/Writing	1:30	30 – 45 minutes
Mathematics	2:00	35 – 60 minutes
<b>Grades 3-7</b>	<b>PACE</b>	
PACE ELA/Math	Time May Vary	Time May Vary
<b>Grades 5</b>	<b>NH SAS for Science (hours)</b>	<b>DLM for Science (minutes)</b>
Science	2:00	45 – 135 minutes
<b>Grade 8</b>	<b>PACE</b>	
Science	Time May Vary	Time May Vary

Student results for the NH SAS (reading/writing, mathematics and science) are generally available within 10 days upon the student completing the test. Piermont Village School will send a student’s Individual Score Report home as soon as possible after receiving results, and certainly before the end of the school year.

DLM scores will be released to districts in early July. Schools will then send home to each family the Individual Score Report for each student who took the DLM assessment as soon as possible upon receiving the results.

Students who participate in PACE for accountability will receive score results from their individual districts in late September or early November.

Parents may access training tests for the NH SAS by going to the portal at <https://nh.portal.airast.org/training-tests.stml>.

School districts that are using PACE for accountability distribute information about this innovative assessment to parents and other community and school leaders throughout the school year.

If you have any questions related to this assessment administration, you may contact Bath Village School at 603-747-2004. Thank you for supporting your student and encouraging him/her to do his/her best during this assessment administration.

Sincerely,

Bernice Mills
