THANK YOU!

Thank you to everyone who donated to the 5th & 6th grade penny sale. It was a very successful fund raiser, raising over \$1300 towards the Boston trip. We had many volunteers who participated. We would also like to send out a big thank you to Collen Strout, Anita Cookson, and Kristen Avery for taking a leading role during the event. Without everyone pitching in, it would not have been such a success.
